## *Introduction*

The wine list at Gravetye Manor has been accredited with fantastic awards over the years. We have consistently been the recipient of the AA notable wine list award, and currently hold that title.

We are always looking to improve this great list, and to that end we have turned our attention to wines that come from sustainable, organic or biodynamic estates. Many of the wines you will find here are made by artisans; by people who care about the environment and how their wines are produced.

The Sommelier team look forward to helping you with your choice, ensuring your dining experience at Gravetye Manor is the best it can be.

Please note that it is not possible to guarantee continuity of all vintages and producers in this list, and in some cases a suitable alternative may be suggested.
